

Données du Problème

The diagram illustrates a data distribution for a problem. At the top, the title 'Données du Problème' is centered. Below it, there are four identical 6x6 grids of light gray squares. Each grid has a black arrow pointing downwards to a corresponding light gray rectangular box. These boxes are labeled 'Tâche 0', 'Tâche 1', 'Tâche 2', and 'Tâche 3' from left to right.

Tâche 0
